**NJBIZ SPOTLIGHT:**  
NONPROFITS

---

Karen Kessler, cofounder of Evergreen Partners, was honored as one of NJBIZ’s Power 50: The 50 Most Powerful Nonprofit Board Members. This is an acknowledgement of her commitment to giving back, including steering the Board of Trustees at Atlantic Health, a recognized leader in quality health care for New Jersey and nationwide, as well as serving on other significant boards in New Jersey.

“I am proud to chair this organization of over 10,000 employees who inspire me as they provide the highest quality medical care,” said Karen of her experience at the helm of Atlantic Health, “This role provides a balance to my professional life, an outlet for my belief in public service and the most gratifying feeling of helping to improve health care.”

Karen was also recognized for her work with on the scholarship committees of Princeton and Monmouth Universities.
